Belastingbetalers hou belangrike vergadering

RUSTENBURG - Na maande van relatiewe "kalmte" op belastingbetalersfront het Rustenburg se Belastingbetalervereniging pas weer die skouer aan die wiel gesit en begin voorberei vir 'n druk program aanstaande jaar. Twee splinternuwe webtuistes in onderskeidelik Engels en Afrikaans is deur mnr Johan de Klerk van Rustenburg, 'n sagtewarespesialis, ontwerp en geregistreer vir gebruik deur die Belasting-betalersvereniging en sy lede.

Die adresse van die webtuistes is onderskeidelik www.rbbv.co.za en www.rrpa.co.za. Mense wat meen dat hul probleme met dienslewering ondervind, is welkom om op die webtuistes te registreer en min of meer besonderhede van hul probleme te gee.

Volgens mnr De Klerk is daar sedert registrasie van die webtuistes al meer as 200 besoeke ontvang. Goeie nuus vir belastingbetalers wat bekommerd is oor dienste asook ander sake van gemeenskaplike belang, is dat die Belastingbetalersvereniging ernstig is oor sy bedrywighede vir die nuwe jaar.

D Dag

Eerskomende Maandag, 18 Januarie, is D Dag wanneer die eerste van hopelik baie vergaderings van die Rustenburgse Belastingbetalersvereniging plaasvind.

Die vergadering sal in die Ou Rustenburgse Stadsaal in Fatima Bhayatrylaan (voormalige Pleinstraat) plaasvind en uitgelese gaste sal die geleentheid bywoon.

Die vergadering op Maandag, 18 Januarie, sal deur mnr Johan Schoeman, huidige voorsitter van dié vereniging gelei word. Nog twee baie belangrike persone wat tydens dié vergadering om die tafel sal wees, is mnr Jaap Keulder - voorsitter van die Nasionale Belastingbetalersunie en mev Carin Visser - voorsitter van die Sannieshof Belasting-betalersvereniging. Beide sal by die geleentheid as sprekers optree.

Mnr Schoeman het Rustenburgers genooi om in hul gemeenskap betrokke te raak en standpunt in te neem oor sake wat belastingbetalers en hul gemeenskappe raak. Hy het Rustenburgers aangemoedig om die vergadering om stiptelik 18:00 by te woon.

Die Herout onderneem om ons lesers op hoogte van sake te hou.

Mnr Johan Schoeman - voorsitter van die Rustenburgse Belastingbetalersvereniging (links) en mnr Johan de Klerk - 'n plaaslike sagtewarespesialis wat onlangs twee webtuistes in onderskeidelik Engels en Afrikaans vir gebruik deur die Belastingbetalersvereniging ontwerp en geregistreer het. Meer as 200 besoeke is tot dusver op dié webtuistes ontvang. Die Belastingbetalersvereniging skop eerskomende Maandag, 18 Januarie, op 'n hoë noot af met dié organisasie se eerste vergadering van die nuwe jaar. Die vergadering sal om 18:00 in die Ou Rustenburgse Stadsaal plaasvind.

Wildlife rehabilitation volunteer course

RUSTENBURG - The We Care Wildlife Rehabilitation Centre is offering a five day course to volunteers interested in assisting the centre with the rehabilitation of wild birds and small mammals.

Apart from striving to train volunteers for the future expanding of the centre, the fees will supplement the centre's financial needs, since no regular sponsors are involved.

Interested persons can contact Christa on 079 712 2613 for further information.

A wildlife rehabilitation volunteer course will be presented by the We Care Wildife Rehabilitation Centre.
