**Notification by Anglo Platinum Limited: Union Section - Mortimer Smelter in respect of application for an Atmospheric Emission Licence.**

The notice is published in terms of Anglo Platinum Limited's commitment to engage stakeholders in terms of Section 38 of the NATIONAL ENVIRONMENTAL MANAGEMENT: AIR QUALITY ACT 39 OF 2004, Mortimer Smelter application for an Atmospheric Emission Licence.

Mortimer Smelter currently smelts PGM concentrates derived from several mines within the Anglo Platinum Ltd Group to produce a final PGM matte product. The matte product is further refined at the converter and refinery operations in Rustenburg. In the process of producing this matte product, air quality control and management will be implemented.

Mortimer Smelter is applying for a new atmospheric emissions licence as required by the act, which is to include a planned upgrade to the existing operations on the current site. Some of the old plant will be replaced by newer and improved technologies and equipment to comply with future emission requirements.
